

TECEDEIRAS ÚNICO 2018

Tecedeiras Único is made only in years of exceptional vintage: a peerless batch of the best grapes harvested from vines planted along the sinuous terraces of the Douro Valley. Small-scale artisanal production methods ensure the rarity of this wine.

TERROIR

The vines that provide the grapes for Tecedeiras Único grow along the most stunning geometric backdrop of dry stone wall terraces built by hand using the typical schist of the region. Coming from the Cima Corgo sub-region, the vines that gave rise to this wine face both east and west and are planted at an elevation of approximately 200 metres.

TASTING NOTES

Colour Intense ruby red.

Nose Complex and with depth, ripe red and black fruits, spicy notes and hints of tobacco stand out. A wine with great precision.

Palate Generous and gourmand, quite fragrant on the palate, whosing silky tannins, balanced acidity and a breadth, culminating in a very persistent finish.

IN THE CELLAR

Manual harvest and hand-selection of bunches. De-stemming and gentle pressing. Fermentation partly in new 500L French oak barrels with foot-reading. After ageing for 19 months in barrels, the wine is lightly fined prior to bottling. Bottles are laid down in our cellar for one year before being released to market. All our wines are sealed with natural cork. No filtration or stabilization, meaning deposits can form with age. We recommend decanting.

Winemaker: Rui Cunha **Viticulture:** Miguel Soares
Alcohol: 14,4 %/vol. - **Total Acidity:** 5,2 g/l - **pH:** 3,53 - **Total Sugar:** <0,6 g/l - **Total SO2:** 69 mg/l
